Financial Assistance Program

Trafalgar Castle School has a Financial Assistance Program to support families who may require assistance to meet the financial commitment of a Trafalgar education. There is a fixed amount of financial aid available each year, and assistance is awarded based on financial need up to a maximum of 40% of the tuition.

Applications for financial assistance should be made at the same time as an application to Trafalgar Castle School. To demonstrate financial need, parents must file an online Financial Aid for Canadian Students (FACS) application through Apple Financial Services. This is a confidential process. The FACS process identifies a family's ability to support educational expenses. A recommendation for assistance is made by Apple Financial and reviewed by the Financial Aid Committee. Please go to www.applefinancialservices.ca to complete the application. Each year a family is asked to reapply for financial assistance, as their circumstances may vary. Unfortunately not every deserving candidate's requests can be accommodated.

Our awards are made between January 1 and March 1, annually. Applications are considered after this date if funds remain available. We strongly recommend you complete your application as early as possible. For more information contact Rhonda Daley, Director, Enrolment Management at daley.rhonda@trafalgarcastle.ca.

Discounts

Trafalgar Castle School offers a 10% discount on the tuition fee (excludes the boarding component) to alumnae daughters, granddaughters, great-granddaughters and to sisters of students currently enrolled in the School.

Referral Appreciation

Recognizing the value and importance of student referrals, Trafalgar Castle School has a Referral Appreciation Program. For more information contact Rhonda Daley, Director, Enrolment Management at daley.rhonda@trafalgarcastle.ca.

Tax Receipts

Under current Canadian legislation, students under 16 years of age are eligible for childcare expense fee receipts, depending upon residential status. Trafalgar Castle School provides a childcare expense receipt for a portion of fees paid. Receipts are emailed annually from the Finance Office.

Trafalgar Castle School also provides a tax credit for Advanced Placement (AP) courses for Grade 11 and 12 students taking AP courses. Students must achieve a mark of 3 or higher on their AP exam to be eligible.

Trafalgar recommends that you review your own circumstances with advice from a professional financial adviser before making a claim.

Responsibility for Fees:

The parents or guardians agree to be financially responsible for all Fees for the entire year, and acknowledge that upon Trafalgar Castle School accepting the student for enrolment or re-enrolment, that no refund of any Fees paid shall be given and such payments shall be forfeited to Trafalgar Castle School and the balance of the Fees for the school year shall become due and payable if the student at any time fails to attend; the student withdraws or is withdrawn by the parents or guardian; or Trafalgar Castle School asks the student to withdraw.
