- Perform routine maintenance jobs such as painting, plumbing, electrical, plastering, landscaping, etc.
- Clean snow and ice from walkways and parking areas.
- Make adjustments and minor repairs to heating, cooling, ventilating, plumbing and electrical systems, and contact tradespersons for major repairs.
- Observe policies, procedures, practices and current legislation.
- Collaborate and co-operate with other members of the faculty/staff.
- Perform other related and/or delegated duties as assigned.

Qualifications and Skills

- Demonstrated problem solving skills.
- Must be able to meet the physical demands of the position, including: heavy lifting, bending, crouching, kneeling and standing for extended periods of time.
- Ability to work independently, as well as part of the Maintenance Team.
- Ability to use a two-way communication system.
- Ability to take instruction.

- Ability to work day or afternoon shifts.
- Completion of secondary school education.
- Previous experience in a related field: plumbing, electrical, mechanical systems, construction, etc.
- Must possess a valid class G driver's license.
- 2-3 years' experience in a similar role.
- Experience in the not-for-profit sector would be considered an asset.

Interested candidates should submit a cover letter and resume as soon as possible to:
