

Trafalgar Castle
School

At **Trafalgar Castle School**, our goal is to lay the foundation for each girl's future, and give her the tools to carve out her own destiny. We offer an unparalleled curriculum delivered in an atmosphere of support from teachers and peers alike. Our castle is a place like no other – one that cultivates skills, ignites curiosity and brings each girl into her own, whether she is an artist, an athlete, an intellectual, or a little of each. Capable and confident, our graduates are exceptional young women who know without question - their possibilities are endless.

Located just east of Toronto in Whitby, Ontario, **Trafalgar Castle School** provides a rich learning environment for academic and personal growth and development of young women. With a current enrolment of 220 day and boarding students from Grades 4 to 12, our community offers a vibrant and diverse atmosphere. We are excited to announce that we are expanding our day program and welcoming even more girls to the Trafalgar community with the addition of Grade 4 this September.

Our school is a community – small, close-knit, supportive and spirited. Our teachers go above and beyond, wear many hats, and get to know every girl by name. They participate in a school-wide camp adventure every fall, don silly outfits on Spirit Days, and engage students in meaningful and authentic learning, both in and outside the classroom. Together, we work hard, support each other, and aren't afraid to ask ourselves how we can do better. We may be small, but we're definitely mighty!
