- Worldwide sisterhood for life

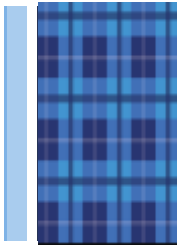

Trafalgar Castle
School

“Trafalgar believes in my daughter and has empowered her to believe in herself. This year she is a Prefect with high honours, preparing to set off for the university of her choice. She wouldn’t be where she is today without the support she received at Trafalgar.”

– Current Grade 12 Parent

High Achievement

- 100% university acceptance
- In 2022, 100% of our Grade 12 students were Ontario Scholars
- Our graduates are prepared for the challenges of university and beyond
- National Tracking Survey: students from independent schools outperform their public school peers in transitioning to university

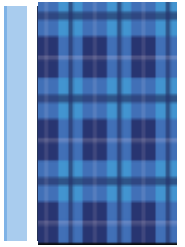

Trafalgar Castle
School

“My daughter has flourished at Trafalgar. The teachers go above and beyond to support every student and it's clear that Trafalgar students operate at a higher level.”

- Current Grade 11 Parent

“We can’t believe the confidence our daughter has gained in such a short time. We were so surprised and proud when she ran for student council. She never would have put herself out like that before joining this community”

– Current Grade 4 parent

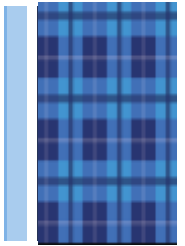

Students at girls' schools have higher aspirations and greater motivation than their female peers at coed independent and public schools.

The Value of All-Girls

The research is clear – in an all-girls’ setting:

- Girls’ schools are leading the way in closing the gender gap in STEM
- Girls’ school graduates respect cultural differences and help promote racial understanding
- Girls’ schools create a culture of achievement
- Girls are more likely to assume leadership roles, higher career aspirations and become advocates for change
- Develop higher confidence levels
